

2014
European Event of the Year
August 21st - 24th
Nyborg, Denmark

MG Car Club Danish Centre

European Event of the Year 2014

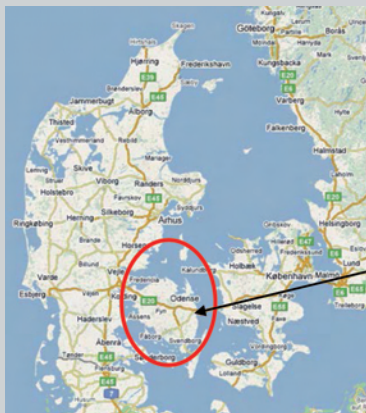

M G Car Club Danish Centre (MGCCDC) is among the **M** oldest MG clubs in the world. The club was founded on the 5th of December 1954 and at the turn of 1955/56 it was one of the first car clubs to enter the Danish Automobile Sports Union (DASU). Today the MG Car Club Danish Centre has some 700 members.

In honour of our 60th Anniversary, the MG Car Club Danish Centre invites you to the European Event 2014 taking place from the 21st to the 24th of August 2014. The event takes place on the island of Funen (Fyn) centrally situated in Denmark.

The Event is centered at Hotel Nyborg Strand which is situated at The Great Belt with panoramic views over the sea. All activities, excursions etc. will start here. Here we also meet for briefings, dining and Saturday's gala dinner.

Hotel Nyborg Strand

Distances to Nyborg:

From Malmö, Sweden, 160 km (100 miles)

From Esbjerg (ferry from Harwich, UK), 170 km (106 miles)

From Hamburg (Altona train station), 335 km (208 miles)

Funen is known as the orchard of Denmark, with lush fields and meadows, the winding lanes and country roads passing the many stately houses and castles. Villages with half-timbered houses, some with thatched roofs, smaller market towns with idyllic houses from a bygone era, are experienced when travelling around. Often one can buy

locally grown produce at the roadside. Funen is, east and west connected by bridges, to the east by an 18 km long motorway bridge to the island of Sealand, to the west by 2 bridges, one motorway, the other combined road/rail. To the south a small archipelago is a joy for sailors and quite picturesque.

Preliminary programme:

Thursday the 21st of August
Registration from 3.00 pm at Hotel Nyborg Strand.

In the evening we have a welcome briefing and dinner in the restaurant at Hotel Nyborg Strand.

Friday the 22nd and Saturday the 23rd of August

We have arranged 2 trips, where each group does a different route each day. Group 1 does tour A, group 2 does tour B on the Friday, on the Saturday group 1 does tour B, group 2 does tour A.

Tour A: A trip to North and Central Funen. Details are yet to be planned, but prepare for at trip including lots of B-roads through the countryside and towns like Kerteminde.

European Event of the Year 2014

Tour B: A trip to East and South Funen, where we drive alongside the Great Belt before we turn inland through the countryside, to Egeskov Castle, which we visit. The castle is surrounded by a moat and built on oak trunks. In the beautiful park you will see a hedge

more than 280 years old, 4 mazes, a rose garden and also a herb garden. The museum houses a puppet museum, a grocery museum and lastly but not least, the museum with historic cars, motorcycles, rescue vehicles etc. In the afternoon we will drive along lovely country lanes back to our hotel.

We provide you with a detailed road book for each of the days. That means the timetable is open for you to choose when to start, where to have a break and when to return. Please note that location and time for lunch is fixed, so it is recommended that you ensure timely arrival at the lunch stop.

Sunday the 24th of August
Sunday we visit the Hans Christian Andersen Museum in Odense. The weekend ends after lunch together, before we say our goodbyes.

An updated program can be seen on www.mgklub.dk from the 1st of December 2013.

Registration and price

Max capacity is 200 cars, and entries are on a “first come, first served” basis. Members of the MG Car Clubs and associated clubs have priority.

There is room capacity for all participants at Hotel Nyborg Strand, it is large enough to accommodate all participants, but if you prefer cheaper accommodation, it is possible to camp or rent a cabin at Nyborg Strand Camping situated 3 minutes away from the hotel. You have the following options: Participation in the whole event Thursday to Sunday (3 nights), or participation from Friday afternoon to Sunday (2 nights). We aim to keep prices as low as possible, hoping for approx. DKK 7,500 (EUR 1,000) per car with two people for the 3 nights in a double room, entrance fees, all meals and most drinks included.

Final prices for the event and registration form will be available at www.mgklub.dk from December 1st 2013, from which date registration opens.

Should you wish to continue your vacation in Denmark, we suggest you look at www.visitdenmark.com. We look forward to see you at Nyborg Strand in 2014.
